

Dear Parents/Carers

Eid Mubarak to those of you celebrating today, I hope you have a wonderful day.

I am excited to tell you that on Monday 17th May 2021, we are going to launch some exciting activities into our school curriculum. The staff in school have all been working hard together to develop ways to promote a love of language across all subjects.

Following the success in March 2020, I thought it would be a great time to once again let the children come to school dressed as a 'word' on the launch day (Monday 17th). Here are some easy dress up ideas:

The letters in **blue and bold** are the words your child/ren could dress as.

Colourful/multicoloured/rainbow/bright - wear lots of different colours.

Alphabet/letters - cut letters out of paper and attach to your own clothes.

Energetic - wear sports gear/headband with a towel on your shoulders.

Puzzled - cut jigsaw pieces out of paper and attach to your own clothes

Blossom/flower/blooms - wear clothes with flower prints on.

Red/Green/Blue etc - dress in clothes of the chosen colour

Sparkle/shine/twinkle - wear sparkly clothes

Sleepy/Tired/Exhausted - wear your pyjamas

Teacher/Educator - wear smart clothes and carry a book/pen/ruler etc

Travel/sightsee/Explorer/Explore - wear a jacket, a backpack, a hat and some sunglasses and maybe carry a map or travel brochure

I hope some of these are of help! Don't forget to add the actual word to the outfit - you could use card cut from a cereal box to make this.

I can't wait to see you all dressed up on Monday!

Mrs Swire
