Associate Headteacher: Miss R Moulden BA Hons (QTS)

---

## Nelson St Philip's C of E Primary School Home School Agreement

### Dropping Off and Collecting

- I will ensure only one adult brings my child/children to school and that the password system will be used.
- I will follow the government advice on travelling to school - see link [Safer travel guidance for passengers](#).
- I will arrive at the allocated time for my child's group and wait in line, observing social distancing guidelines [Staying Alert and Safe \(Social Distancing\)](#) until a member of staff collects my child/children.
- If I have children in more than one bubble I will bring them at the latest start time and collect them at the earliest collection time.
- I understand that I must adhere to the drop off/collection times given to allow social distancing measures to be effective.
- I understand that no parent/carer will be allowed into the school building without prior agreement with a member of SLT (Senior Leadership Team) and that I will not be able to stop and chat with members of staff or other parents.
- I understand that communication with school staff will be done via email or a phone call to school.
- I understand I may be asked to wait away from the school grounds until other children and their families have left the school grounds or gone into school if I am late bringing or collecting my child.

### Health risks

- I understand that the school and parents/carers need to have strict procedures in and out of school to reduce the risk of COVID 19 or other viruses and illnesses being brought into and spreading across school.
- I understand that my child will be in a 'bubble' with a maximum of seven children. This means they may not be in their classroom or with their class teacher. 'Bubbles' of children will not mix together. I have prepared my child for this.
- I understand that if anyone in the bubble develops Covid-19 symptoms, then the bubble will need to isolate for fourteen days.
- I understand that if staff in the bubble become ill and the school does not have a sufficient number of staff to cater for the children, then the bubble will close.

- I understand that the adults working in school will try to maintain common sense in terms of social distancing whilst working with the children; however, they are caring for the children and therefore may work closer than two metres with them.
- I understand that adults in school may wear appropriate PPE and I have prepared my child for this.
- I understand that whilst the school will always try to regularly clean the areas used, will engage in frequent hand washing, will ask staff to abide by rules for clothing/showering etc., we are unable to guarantee a virus-free school.

### Controlling the Virus and Hygiene

- My child will have washed before arriving at school and will remove their uniform for washing when they get home.
- My child will wear a clean uniform every day.
- I will bring an appropriate coat for playing outside and for the weather conditions but nothing else except medication (see below) - no books, no bags, no items from home.
- If I wish my child to wear a mask on the journey to and from school, I will not leave this in school.
- I understand that my child will be using hand sanitiser gel and washing their hands frequently throughout the day.

### Medication/Illness

- I will not bring my child to the school if they have any symptoms of coronavirus or if anyone in the household has symptoms. I will isolate my child and the whole household for fourteen days if this is the case and will inform the school immediately. I will follow the government guidance.
- I understand that the symptoms of Coronavirus infection are: A new continuous cough; or a fever; or Anosmia (the loss of or a change in your normal sense of smell. It can also affect sense of taste as the two are closely linked).
- If my child has medication for asthma, allergies or other conditions, I will ensure that I have sent the medication with them, on their first day in school, in a labelled container.
- If I need to bring in medication for my child, I will pre-agree it with school by phoning the office and following school procedures and guidance for delivering as directed by school staff.
- I understand that if my child becomes unwell during their time in the school, they will be immediately placed in isolation (in accordance with government guidance) and I will be contacted and asked to collect them. If I cannot be reached, the other contacts given will be called.
- I understand that if any children or staff in my child's 'bubble' show signs of coronavirus, my child will also have to self-isolate for fourteen days.
- I understand that if my child falls dangerously ill, the staff will contact medical services.
- I understand that if my child has an accident (e.g. nose bleed, sickness), staff will wear appropriate PPE to administer the necessary first aid.
- I have updated the allergies and contact details for my child overleaf.

Provision

- I understand that should it become impossible for Nelson, St Philip's Church of England Primary School to remain open because of a COVID outbreak or staffing shortages then the childcare will cease with immediate effect and that this may be with very little notice.
- I understand that some staff may choose to wear items of PPE (e.g. Face visors and that they will have received training to put it on correctly).
- I understand my child will be given water and a school dinner and I will not send a lunch box or other items into school with them.
- I understand the children will not be bringing reading books or other items home with them.
- I understand that the school will not be setting homework until further notice.
