

**PSHE: Friend Fact File.**

Your new teacher may want to know who your friends are. Draw a picture of each friend and write about their best qualities.

**Transition**

As we come towards the end of the year, we need to begin thinking about moving into Year 1 and Year 2. At school we would normally visit our new classrooms and our new teachers. Unfortunately, we cannot do that this year, so I have designed some tasks for you so you can begin to think about what next year might look like. I will send a video in the next week or so showing you your new classrooms, coat pegs and entrance into school. Please talk to your child about their transitions or complete the tasks. It will make them feel more comfortable when they return to school.

**E- Safety**

When following links online, parents should monitor that children are remaining on that page only and are keeping safe online. For more help go online to [www.thunkuknow.com](http://www.thunkuknow.com)

**PSHE : Create a worry jar.**

Are you feeling a little worried about school in September, do not let them bug you?

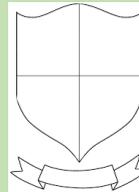

Make a worry jar or monster. Write down your worries and then seal them in a jar or box.

Your jar could be plain with a label or it can be colourful, that is up to you.

**Shield of interests**

Using the sheet from the 'EYFS/ Year 1 Activity Sheets' Draw a shield to show your interests for your new teacher. So, they know lots of things about you. What will you draw... your family, pets, hobbies...?

**PSHE: Class Charter**

Write a charter for next year. It is not a set of class rules, but the good ways to learn and behave. Take a white piece of paper. Use an old, COLD teabag to make the paper look old like parchment.

**10 Things in a Teacher's Pocket**

Ian McMillan wrote a poem called "10 Things Found in a Wizard's Pocket". Using the EYFS/ Yr1 activity sheets, write a list of what you might find in a teacher's pocket...

A real teacher might have... Six sparkly 'Well Done' stickers, An old sweet covered in fluff...

A teacher with super-powers might have... Silencing sprinkles for noisy children, 3 lightning-fast tidy-up fairies, smiles to brighten a dull maths lesson...
